This matter coming on the Complex Case Scheduling Order proposed jointly by the United States and defendant FUJINAGA (hereinafter “the parties”), the premises therein considered, and good cause showing, the Court ORDERS as follows:

In accordance with the stipulation of the parties, the Court finds that this is a complex case within the meaning of 18 U.S.C. § 3161(h)(7)(B)(ii) because, among other things, the nature of the prosecution is such that it is unreasonable to expect adequate trial preparation within the time limits prescribed by the Speedy Trial Act. All time from the entry of defendant FUJINAGA's plea in this case until the trial of this matter is excluded under 18 U.S.C. § 3161(h)(7)(A), as the ends of justice outweigh the interests of the public and defendant in a speedy trial.

2. Trial Setting. The Orders setting calendar call for September 8, 2015, and setting trial for September 14, 2015 are VACATED.

1           3.     Hearing to Address Complex Case Schedule. Hearing is set for 11:00 AM  
2           on September 14, 2015, to address the trial date and such other issues as the Court deems  
3 appropriate.

4           4.     Rule 16 Disclosures.

5           The United States will make Rule 16 disclosures to defendant FUJINAGA (excluding  
6 Jencks Act and expert disclosures) on or before August 28, 2015.

7           Defendant FUJINAGA will make Rule 16 disclosures on or before September 25, 2015.  
8 The parties acknowledge their continuing duty to disclose up to and including trial.

9           5.     Jencks Act Disclosures.

10          The United States will disclose Jencks Act material to defendant FUJINAGA no later  
11 than 60 days before trial.

12          6.     Expert Disclosures.

13          The United States and defendant FUJINAGA will exchange expert disclosures no later  
14 than 90 days before trial.

15          7.     Pre-trial Motions

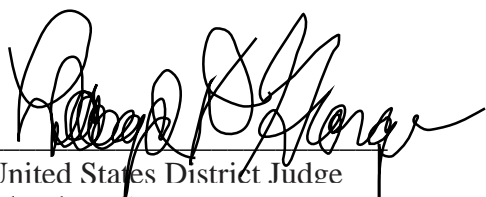

16          The parties will file pretrial motions no later than October 30, 2015, with responses due  
17 30 days after receipt, and optional replies due 14 days after receipt of responses.

18          This Proposed Schedule pertains only to defendant FUJINAGA, and imposes none of the  
19 foregoing deadlines or obligations upon the United States with respect to defendants JUNZO  
20 SUZUKI and PAUL SUZUKI.
